DAY 1: Begins with coloring our Bible Activity page:

Say: Later today you'll get to hear a true story about Jesus' friend Ananias. Jesus gave him a hard job. He had to go visit someone he thought was pretty mean. But Ananias knew Jesus was with him and Jesus would help him go, even though it was hard. Jesus Power Helps Us Do Hard Things too!

Say: Trains often have to travel through dark tunnels. Let's make some tunnels for our trains to go through. Sometimes we feel like we're going through dark times. It can be hard to see that there's light at the end of the tunnel. But Jesus is always with us, even in hard times. Jesus Power Gives Us Hope! (Trust Jesus!)
